Celeste Connors

Executive Director,
Hawai'i Green Growth Local2030 Hub

Celeste Connors has twenty years of experience working at the intersection of economic, environment, energy, and international development policy. Before joining Hawai'i Green Growth, she was CEO and co-founder of cdots development LLC, which works to build resilient infrastructure and services in vulnerable communities. Celeste previously served as the Director for Environment and Climate Change at the National Security Council and National Economic Council in the White House where she helped shape the Administration's climate and energy policies.
